Cullom History

Cullom is situated twenty miles east of Pontiac, which is the county seat, and is one mile west of the Ford County line.

Cullom owes its beginning to the railroad which was built in 1878. The location of the village was decided by Frederick Hack by granting a 90 ft. right of way across his farm, and paying a cash bonus of $4,000 to the railroad company. Mr. Hack platted and laid out the village and donated forty acres of land on which to build it.

The village received its name from Governor Cullom. The story is that Mr. Hack wanted the town called Jeffery after the man who was roadmaster of the Illinois Central at that time. Jeffery wanted the town called Hack but he declined the honor. The two men then compromised and called it Cullom. The governor was notified of their decision and he sent a draft for $25, to be given to the denomination building the first church. The money was given to the Methodists as theirs was the first one built.

The main street going through the business district was then called Hack St. in honor of Mr. Hack. The first building was moved here from Chatsworth in the fall of 1878 by John Tims. It stood on the present site of the Cullom Co-operative Grain office and was used for a lumber office.

J. W. White and Dr. Keck came here about the same time from Barrington and shipped the first lumber into town with which to erect a building that was later used as a saloon.

James Righter moved a two story frame building from Sullivan Center which was used for a general store. Another store building was erected on Maple St. by Dr. Kay and E. K. Brown which was later known as Crosten's Drug Store.

John Weinland was the first postmaster. He had a small building near where the stockyards were and bought hogs and grain as a side line. He also sold lots for Mr. Hack - some of them selling for $15.

Peter Gingry and Andrew Keck Sr. conducted the first saloon and Mike Harshbarger ran a pool hall in an adjoining room. The first dwelling was built where the True Value store now stands, by Jesse Hatfield.

Cullom's first depot was a small "two by four" building which was used until a better one was moved here on a flat car from Kempton. James Fitzmaurice was the first permanent station agent.

David Farmer built a brick building on Maple St. which was used for many purposes, as some of the early business men rented space there to start a store before buying one of their own. It was also known as the Cullom Hotel.

Soon more buildings were erected and new businesses started and it was not long until Cullom became a thriving town.

Although Cullom was started in 1878 it was not incorporated until July 27, 1882, the charter being signed by James A. Rose, Secretary of State. Election of officers was held in August with the following being elected:

Mayor ..... Jesse Hatfield
Trustees ..... Frederick Hack
Dr. Z.L. Kay
James Dorsey
J. W. White

Frederick Hack

Frederick Hack was born March 6, 1828 in Bavaria, Germany. He came to the United states in 1852 and settled in Pennsylvania. After two years he came to Grundy County in Illinois. In 1857 he purchased one hundred sixty acres of land in Sullivan Township, Livingston County, where he built his home.

The land was swampy and wild but he soon improved it into a good farm. He bought more land the following years which he improved, but sold some of it later. In 1878 when the railroad went through, he donated land for a village which was called Cullom. He started a lumber and hardware business and also dealt in grain for a time.

Mr. Hack was interested in Civic affairs as he was township supervisor three years, road commissioner eighteen years, school director sixteen years and president of the village board several years.

He married Martha Knorr June 1, 1852, they were the parents of Elizabeth, Lena, Caroline, Katie, Ezra and Frederick K. Mrs. Hack died July 4, 1898 and then Mr. Hack lived with his children until his death October 2, 1901. His son Ezra lived on the home place one mile south of Cullom until he retired and moved to Pontiac.

Ezra married Anna Keck and they were the parents of Reubin, Kate Penwitt, Nettie Billerbeck Altig, Iva, Earl, Harry and Luella Billerbeck.

Mr. and Mrs. Fred Hack Sr.
Founder of Cullom

Fred married Elizabeth Keck and they lived one mile north of Cullom. They were the parents of Earnest, William, Roy, Gertrude, Warthem, Frieda Schoon and Albert.

Caroline married Andrew Haag and lived one-half mile east of Cullom. Their children were Elmer, twins Albert and Alice Zollinger, Ernest and Hazel Magee.

Lena married Ernest Opperman and they lived one-fourth mile east of Cullom. Their children were Henry, Elizabeth, Matilda, Sophia, Marie and Anna.

Katie married Leonard Haag but died at the age of 22 years.

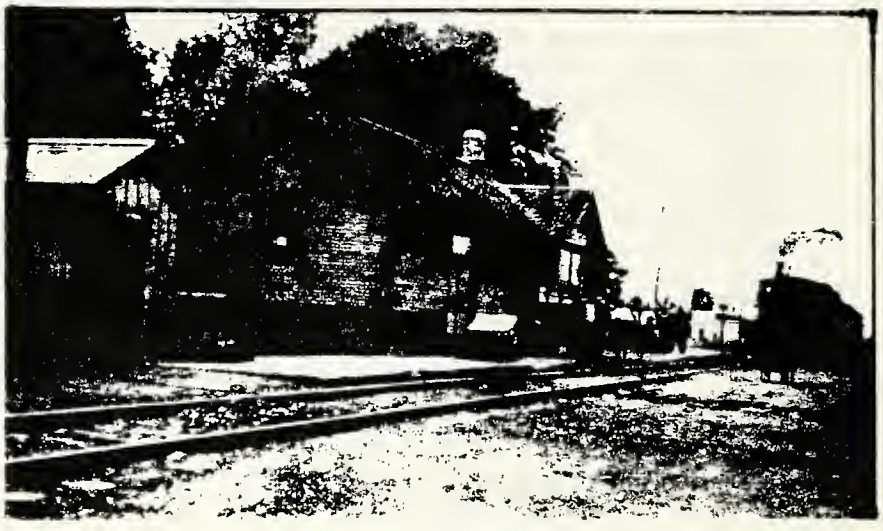
Elizabeth married Ezra Grush and they lived near Dwight. Their children were Nettie, Bertha, Alice, Henry, William, Albert, John, Frank and Daniel.

Illinois Central Railroad

When the officers of the Illinois Central Railroad Co. decided to build a track through this part of the country they contacted the landowners to buy ground along the way. Some that owned land were so glad to have transportation for their grain they donated the ground to the company.

One of the men besides Mr. Hack was Charles Gassler who lived northeast of Cullom. The main track went through his land north and south. When they also built Minonk-Kankakee division it cut across his land from the west. They built a spur for a switch running to the south and one to the north to the main track thus forming a "Y". Sometimes cars were switched from one track to the other. There was a small building erected there which held a ledger. When a train went through the conductor had to register, so when the next train or freight came through they would know if the track was clear. This "Y" formation was called Saxony but more often referred to as the "Junction".

If a person went to Pontiac from Cullom he would ride to Kempton and then go to Pontiac. When he came home he would ride to Kempton and wait for the train from Kankakee to bring him home unless he wanted to walk back to Cullom.



Old Cullom Depot

At first the track was only laid as far as Chatsworth but it was finished to Bloomington the next year. The only stipulation Mr. Gassler asked of the company was they keep up the crossings going into his fields and mow the right-of-way. Since the passenger and freight trains do not run any more the building has been torn down and the track going to Minonk has been taken up so just the main track remains. Thus another land mark has been erased.

The farm is now owned by Mrs. Richard Dowse of Bowling Green, Kentucky.

The Swamps

When the early pioneers settled in this part of the country, the land east of what is now Cullom, was mostly a vast prairie or a big swamp.

George Koerner who lived there in the early days told of the hardships at that time. Only a knoll here and there could be farmed and no man was sure of a crop until it was marketed. As late as 1882 Mr. Koerner lost 20 acres of corn, after it matured in three days. After a rain the water rose in the fields until it was near the ears on the stalks, thousands of wild geese, brants and ducks ate every bit of the grain.

Every man kept a boat and at times they could not touch the bottom of the water with an eight foot oar. On one occasion Mr. Koerner, his brother Valentine, John Donahue and Bernard Sullivan rowed six miles in a skiff and were completely exhausted when they reached home. There were no roads, no ditches, nor drains and no Cullom. Piper City was a hamlet of two buildings.

To reach Chatsworth in the wet season was almost impossible and at times crossing the Vermillion River was no easy task. Finally dredge ditches were built across the swamps to drain the water from the surrounding territory. Kelly Creek, east of Cullom, has been dredged several times because of heavy rains bringing water from the north.

Farmers also tiled their fields and the water drained into the ditches. After several days of heavy rain, so much water drained into the ditch it couldn't get away fast enough. The water would flow onto the road and over the fields.

Over the years roads have been laid out and the fields drained, and what was once a swamp has become rich, black soil and good farmland.

There were several spots of quicksand in the area but they too don't seem to bother any more. More homes were built and fields were fenced off and livestock was kept on their own place instead of roaming the prairie as they had to in the early days.

Sullivan Township

Sullivan was formerly a part of Saunemin Township but was separated in 1860. It is known as Town 28, Range 8. Pleasant Ridge and Charlotte were included in these as an election precinct and also for a year or two after township organization, when they were struck off and Sullivan was separated from Saunemin.

It is situated in the eastern tier of townships, with Ford County on the east, Broughton Township on the north, Charlotte on the south and Saunemin on the west. Sullivan was named after Michael Sullivant, who is said to have owned 40,000 acres of land, some of it located in this township. The upper half of the township was rolling but the lower half in the early days was nothing but a large swamp. Nearly all of this land had been drained since the dredging of the Vermillion River, and has been cultivated.

In the early years the township was mostly Republican for in an election in 1861 not a Democrat vote was cast.

The first settlers in the township were Alexander Harbison and Joshua and Saxon Cheseboro, who came from New York in 1855. The Cheseboros erected a house in partnership but in 1857 Joshua moved to Saunemin. Harbison remained until 1865 when he moved to the Five Mile Grove in Saunemin Township, and in 1866 located in Fairbury.

Rev. Felix Thornton arrived the following year from Tennessee. He was a Methodist Minister and preached the first sermon in the township, services being held in Mr. Harbison's cabin. He also solemnized the marriage of Dr. J. M. Perry of Pontiac and Miss Emily Gibson. It was the first wedding in the township. After a year or so he moved to Saunemin and then to Iowa.

Many more families moved into the township in the late 50's among them being John Heckelman, Daniel Clark, D. H. Longmire, Abraham Gibson, Hunter Randall, Samuel Harshbarger, James Sage, Samuel Graybill, Joseph Royle, Lawrence Haag, Joseph Small, Joseph Lighty, Daniel Rowan, George Rosenhauer. Mr. Longmire assisted in the laying of the roads and establishing schools and took an interest in all public matters of township.

Among some of those who settled in the 60's were Martin Detwiler, William Faust, Elias Hartman, Richard Brooks, James Madden, J. J. Shearer, David Shantz, Monroe Bure, T. W. Chandler, G. W. Evans, R. P. Gallup, Isac Herner, Josiah Kerr, B. F. Lehman, J. K. Lehman, J. H. Lehman. Richard Shapland, F. Skinner and Zapher Tuttle.

Mr. Tuttle purchased 4,000 acres of land from the Sullivant estate and engaged in the cattle business. In 1873 he rented his farms and established a bank in Dwight, but continued to reside in the township. He moved to Wichita, Kansas in the 80's, where he died, leaving his estate to his heirs, with Martin Detwiler as overseer.

Sullivan Center

The original site of Cullom was three and one half miles northwest of its present location. It was built on the main road that went from Pontiac to Clifton. This was known as the mail route and also used for personal travel.

A post office was established in 1870. Edward Ward conducted the first store and was made postmaster. Later there were two stores, a blacksmith shop by Anson Ackley, a wagon shop by J. J. Brown, a cobbler and a doctor.

A cemetery was also laid out in Sullivan Center, the first person being buried there was Mrs. R. F. Griffing. The cemetery is the only landmark left of Sullivan Center and is the burial place of many of the settlers in the community. Its upkeep is taken care of by Sullivan Township officers.

Postoffice

Before Cullom was built the people living in the northwest part of the township received their mail at the postoffice in Sullivan Center.

When the postoffice was established in Cullom on December 2, 1878, Charles Weinland was the first postmaster. Other postmasters serving over the years were Elijah Brown, Zashena Kay, John White, Patrick Cook, Thomas Richards, Frederick Hack, James Brady, Ed Kingdon, Fred Flessner, Sylvester Kiley, Hardy Altig and Marie Billerbeck.

In the early years the mail was brought in on the passenger trains and then hauled to the postoffice on a cart. When the train service was discontinued, a Star Route was established and the mail is now brought in a truck in the morning with mail going out in the evening.

When the postoffice was first established it was rated fourth class, but in September 1923, it was raised to third class. At one time there were two routes out of Cullom, but a few years ago they were consolidated and now there is just one mail carrier. Samuel Lehman was the first rural mail carrier from Cullom and served for twenty eight years.

The postoffice was stationed in several buildings over the years. In 1960 Dr. Le Digal erected a brick building on the corner of Hack and Maple Streets, the postoffice is located in the east part of the building. It was dedicated May 27, 1961 and a program was presented. The present postmaster is Margaret Morrissette. Part time clerks are Agnes Schramm and Velma Workman. Rural carrier is Ronald Koerner and the substitute carrier is Agnes Schramm.

Lutheran Church

The Lutheran congregation dated back to 1871 when the early settlers decided they would like to have religious services. As there was no town here at that time and they had no church building, they held their first service in the Hack School, which was one mile south of where Cullom is now. Services were held there for ten years. Their first pastor was Rev. Scheliepsiek and he was succeeded by Rev. J. J. Kern, who came from Dwight. During his pastorate they organized a congregation, gave it a constitution and present name ST. JOHN'S Lutheran.

Among the founders of the congregation were G.B. Brinnemein, J.F. Ottmuller, Andrew Haag, Leren Haag, Leonard Haag, Fred Hack, George Hechelman, Demiam Stahl, Adam Lueble, and Charles Gassler.

In November of 1881 the cornerstone for a church was laid and on May 14, 1882 their new church was dedicated. It was built at a cost of $1,200.00. In 1888, Mr. G. Hertlein presented the congregation with a bell which rang for 26 years.

Between 1900 and 1909 the church was remodeled, painted white with gilded bevels, lengthened and a pipe organ, electric lights and a new Gothic altar were installed. More improvements were made in 1913 but the following year in September 1914 the church was struck by lightning and burned. The cornerstone for a new brick building was laid in April 1915 and the Church was dedicated in November of that year. More improvements were made during the pastorate of Rev. E. W. Kuethe between 1918 and 1921.

In 1947 a building fund was started to enlarge a space for Sunday School but in 1961 they had a chance to sell the Church. A new site was donated by LeRoy Hack and the cornerstone was laid August 13th of that year. Dedication services were held March 4, 1962.

In 1960 "The United Evangelical Lutheran Church", "The Evangelical Lutheran Church" and "The American Lutheran Church" merged. The women's organizations of the church, namely Ladies Aid and Missionary society now became "American Lutheran Church Women" or A.L.C.W. and is divided into four circles - Ruth, Esther, Dorcas and Mary. The men's organization is called the Lutheran Brotherhood. The young people belong to the "Luther League".

A new parsonage was built in 1969. The church observed its centennial on September 17, 1971.

Catholic Church

In the early days mass was held in the people's homes, or they went to a nearby town as Chatsworth when they could cross the Vermillion River. Priests also came from Pontiac to serve the people. Father H.W. Finch, pastor of St. Mary's of Pontiac, attended Cullom from June 1877 to 1887, when Cullom was annexed to Piper City. Father Finch built the first church in Cullom that was completed in 1881. It was a frame building located on VanAlstyne St. (nee Washington).

The priest came on alternate Sundays for a time, they came from Chatsworth and Piper City for several years. The first resident priest was Father Peter McGair in 1891. He built the first parish house. In 1893 there were eighty families in the parish.

On October 9, 1906, Father William White was assigned to Cullom and he was the priest until July 1924. As the congregation had increased in size Father White suggested they build a larger church.

In 1908 the cornerstone was laid and the church was finished in 1909. The dedication was held October 13, 1909. The church is of brick structure. The inside is tastefully designed and decorated. It is one of the most beautiful churches in the Peoria diocese. It has been redecorated several times but the orginal design and altars have not been changed, which adds to its beauty.

During the pastorate of Father Omer Fulton he dedicated a shrine which he had built, containing a statue of our Lady of Lourdes. It was held May 2, 1954, and the May crowning was held following the dedication.

On June 8, 1958 Father Fulton was honored on his 25th Anniversary of his ordination by the members of his parish. After mass a potluck dinner was served and a program was presented.

In 1971 during the pastorate of Father Joseph Nickerson the old rectory was torn down and a one story brick house replaced it. St. John's parish hall is located in the basement.

Two members of our parish became nuns - Sister Pricilla (Marcella Lyons) and Sister Mary Flora (Mary Agatha Carney). Father Charles Karl has been the pastor since 1978.

N.B.N. CLUB OF CULLOM, ILLINOIS.

In this photo dated in 1922 or '23 are shown members of the women's fun club N.B.N., which flourished in the early 1900's. The name of the club was a closely guarded secret, even to this day was thought to have been 'Nothing But Nonsense'. The husbands shown with the girls in this photo, H.P.H. obviously 'Hen Pecked Husbands' dubbed the club's name as 'Nothing But Nuts". They met in member's homes to enjoy some sort of entertainment, sometimes lavish carnivals, dances, parties or comedies. The group was active for several years.

Civil War Vets

When the Civil War broke out in 1861 a number of our citizens responded to the call for service to their country, to preserve the Union and abolish slavery. During that time two men lost their lives in the service - Charles Pratt in 1863 and Dean Pratt in 1864.

In the Spanish - American War of 1898 we have record of only one man serving in that combat from Cullom - Harry Onken.

The United States declared war on Germany April 6, 1917. Many of our young men were willing to go to service to win the war against Germany. Although registration day was set for June 5, 1917 for men between the ages of twenty-one and thirty-one, many did not wait to be drafted, but enlisted in some branch of the service. Two of our young men paid the supreme sacrifice - Theodore Trost and Doy Skinner were killed in action. Two other men - Fred Pherson and Anton Sancken died in camp. The Armistice was signed November 11, 1918, when Germany was forced to surrender.

World War II started for the United States when Japan attacked Pearl Harbor December 7, 1941. War was declared against Japan at once and as there had been friction between Germany and the United States for some time war was declared on Germany December 11, 1941. Again our young men answered the call of duty to their country. Casualties in that war were Walter Musselman killed in action Jan. 17, 1944, Wilmer Aelig killed in action Feb. 4, 1944 and Bennie Stevens killed in action April 6, 1945.

The Korean War was the result of Russia and the United States claiming jurisdiction over Korea after Japan lost in World War II. Gerald McPherson died in action on June 30, 1950.

The Viet Nam War was considered a police action as war was not really declared. Many lives were lost in the unpopular war, resulting in a lot of unrest nation wide. The sixties produced an awareness that still exists today. Many area young men again served their country.

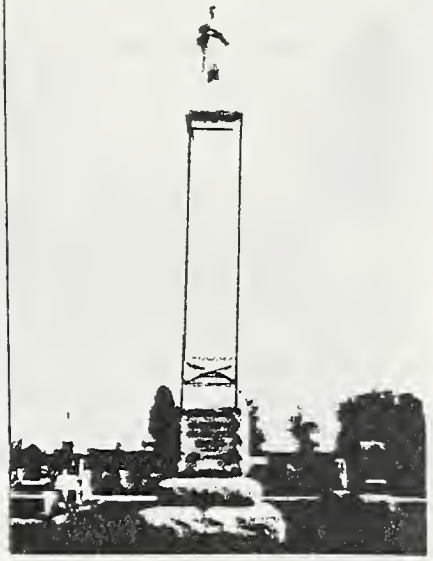
Civil War

In the spring of 1904 a momument was erected in West Lawn Cemetery as a Memorial and tribute to the Civil War Veterans. It was dedicated on June 28, 1904 with a large crowd in attendance, estimated from two to five thousand. It was considered one of the biggest days Cullom ever had and a prearranged program was carried out.

The Cullom and Odell bands met the trains which brought many notable personages, one being Judge Strickler of Chicago. The Hon. L. B. Springer of Lincoln. Drs. Ross and Means and Atty. Yost of Pontiac arrived in an automobile.

The parade started about 1:30 p.m. and marched to the cemetery where the monument was unveiled by Misses Caroline Beach of Piper City, Catherine Bergan of Chatsworth, Orlie Boeman and Emma Hart of Cullom.

After a short program there the procession marched to the park where the program was resumed. The dedicatory address was by Judge Carrithers and Lincoln's Gettysburg Address was given



by Dr. S. D. Culbertson. The Hon. L. B. Stringer also spoke.

The evening program opened about 7:30. Judge Strickler of Chicago gave the evening address which was followed by war reminiscences by City Surveyor Stanford of Chatsworth, Dr. Culbertson of Piper City and George Boeman of Cullom. A. H. Haag was marshal and M. G. Barnhart president of the day.

At first it was planned to erect the memorial on the line between the two cemeteries, but for some unknown reason the plans were changed and it was placed in West Lawn.

The living veterans at the time of dedication were: George Boeman, John Buren, George Collins, John Cook, John Kingdon, John L. Neniger and Lewis Shearer.

World War I Vets

A beautiful Honor Roll was erected in Cullom in honor of the soldiers of the vicinity of Cullom who served in World War I. It was erected in the vacant spot inside the side walk on the corner of Hack and Maple Sts. and dedicated February 5, 1919.

At 2 o'clock when the crowd had gathered near the monument a squad of fifteen soldiers, headed by four girls, marched from the coliseum to the honor roll. The band opened the program with a selection when the girls pulled the cords to unveil the monument the soldiers fired a salute.

As the weather was cold the crowd marched to the coliseum where a program was given. It consisted of the Invocation by Rev. E. W. Kuethe, songs by St. Viator's Male Quartette and the Cullom Musical

The name plates were stored in the Community Bldg., but have disappeared.

Theodore Trost, World War I

Trost Memorial

Mrs. Barbara Trost and her son Peter erected a memorial in St. John's Catholic Cemetery in memory of their son and brother Theodore Trost. He was killed in action in France October, 9, 1918. The base is constructed of red brick and above it in the center is a beautiful crucifix.

American Legion

The American Legion was organized December 20, 1922 and elected their first officers in January 1923 as follows:

Commander .....Andrew Gassler
1st Commander .....Elmer Donahue
2nd Commander.....James Makinson
Adjutant.....Fred Flessner
Finance Officers.....Isadore Leiser
Chaplain.....Frank Chandler
Historian.....Edward Stieger
Sargeant at Arms .....William Twiehaus

They were installed by Dr. Middleton, Dr. Young and Neil Kerr of Pontiac. The charter was issued for Doy Skinner and Theodore Trost, the two men who were killed in France during World War I in October 1918. The post is called Skinner-Trost Post #122.

Signing the roll at the time were Isadore Leiser, Fred Flessner, Arthur Head, Elmer Donahue, LeRoy Sheehan, Herbert Whitman, William Twiehaus, John C. Hahn, William Ginter, Matthew Goller, Dewey McPherson, Reuben Hartman, Grover Stucker, Albert Stieger, Edward Stieger, Louis Hartman, John Stedman, Frank Glab, Clarence C. Kane, Clarence J. Kane, Andrew Gassler, Dr. J.G. Dwyer, Chris Classen, James Whitman, James Makinson, Elmore Raboin, Frank T. Chandler and Lewis Wagner.

They became active in the affairs of the community and took part in the Memorial Services. They started sponsoring the Homecoming Celebration in 1924.

At first they held their meetings in the I.O.O.F. Hall, until they bought the Coliseum in 1924. In 1929 they raised the roof of the building so the school could use it to play basketball.

They placed a 150 M.M. Howitzer in the park, but when it deteriorated, they sold it as salvage metal in 1942. They sponsored the Boy Scouts for a number of years but now sponsor the Little League ball team.

After the Legion Building on Jackson Street was sold to Lewis Magee in 1938 their meetings were held in the village hall and then in the R.N.A. hall until the Community Building was finished. They donated money toward the building and furnished the room known as the Legion Room. Several years ago they bought a building on W. Hack Street, where their meetings are now held.

Most of the members of the Post now are men that served in World War II, the Korean and Vietnam Wars and are carrying on the work started by the veterans of World War I.

Officers for 1982 are:

Commander .....Douglas Read
Senior Vice Commander .....John Platz
Junior Vice Commander...Gary Hamilton
Adjutant.....Ronald Shapland
Finance Officer .....Ronald Shapland
Chaplain .....Richard Magee
Sargeant at Arms.....Robert Lewin

Members meet on the first Wednesday night of the month.

A Century of Memories

MEMORIES OF MY EARLY VISITS TO CULLOM, ILLINOIS.

FROM CHICAGO TO CULLOM:

As a young boy, during the 1930's, I recall fondly, travelling by automobile to visit Gassler relatives in the small country town of Cullom.

This was the birthplace of my Dad, William H. (Bill), Gassler. As I recall the drive took about 3 hours, or so, motoring on Hy #49 south to Kankakee and then to Cullon, located on Hy #116. Dad's mother, Christina, was in her 80's. Grandma was a small lady who was always happy to see us. She lived in a nice frame home in the southeast section of town with her daughters, Carrie and Magdelena. On the property was a garden, a few chickens and grapevines. In the kitchen, a pitcher pump was used to draw water. We could always expect to partake of a wonderful meal while there. At times, my Dad and his Mom would converse in German. She was born in Germany and emigrated to America in the late 1800's. On the street in front of her home, was a hitching post that was used earlier when horses and buggies were the only mode of transportation.

The community of Cullom, with a population of about 500, seemed to be self sufficient. Most of the merchandise used by the town was delivered by the railroad serving the area. In earlier days passenger service was available with two daily runs. Grain bins stored the feed grains awaiting shipment to mills and processing plants.

A few blocks from Grandma's home, was the main shopping area known as 'Uptown'. The stores, eateries, banks, post office and other business establishments were thers.

We attended a few of the 'Homecoming' weekends during the 1930's and 1940's. Carnival rides, hot air balloon rides, outdoor movies and fireworks were a few of the activities enjoyed by all. Many current and former residents attended these events. They were great fun.

A few miles northeast of Cullom, was the farm of Uncle Andy and Aunt Irene Gassler. A visit with them was always a pleasant experience for me. Among their large family were some of my favorite cousins. The 180 acre farm raised crops and included cattle, chickens, pigs and other farm animals. My father was born on this site in 1885 and it is where he spent his early years. As a youngster, he would ride the train into town. His father, Charles Gassler, donated the land used for the rail-line running southwest to Cullom.

If weather permitted, we kids spent most of our time playing outdoors. It was quite an experience for a 'City Boy' like me.

This farm was the homestead of my Grandfather, Charles Gassler (1848-1934) from the 1870's until he retired to his Cullom home in the early 1900's. Always civic minded, he also enjoyed playing cards with friends, around the stove, in one of the 'Uptown' businesses. My Dad also enjoyed playing cards, especially pinochle. Charles Gassler passed away before my first visit to Cullom.

During these drives in the country, I would pass the time reading road signs and try to identify the 'make' of passing vehicles. On a few occasions we paused in Kankakee, Ill., to eat a meal in a converted railroad car known as 'The Diner'. Other times we ate a chicken dinner in a restaurant on Ill Hy. #49. The cost of the meal, including drink and dessert, was 49 cents. Of course this was during the times when my Mom and I could ride the electric trolley cars around in Chicago for 10 cents. Adults rode for 7 cents and children 3 cents. Remember?

My last visit to Cullom was in 1992. After doing 'Family History' research on my'birth family'in eastern Iowa I stopped in to visit with Irene Gassler and her sons. At that time, she was living in their house on Hack Street. Irene was recovering from major surgery and seemed to be doing well. While there I visited the local cemetery and visited with some of the local residents. Irene and I corresponded until she passed away a few years later. She was such a nice person and we miss her.

About the middle of January 1964 our community was tied up by one of the worst blizzards in years. The mail truck from Kankakee didn't get to Cullom until 3:00 p.m. on Monday. Snow started to fall on Saturday night and the snow and high winds on Sunday caused the snow to drift and roads were blocked. There was no school on Monday.

Notes

James Sullivan: He came to America from Irelend with his family at a young age. They settled in Woodford County. After his marriage to Sarah Dawes they moved to the swamp region. His cattle fed on the prarie grasses in an area rich with wildlife. Hunters from Chicago used to come to his farm for wild fowl and animals. Mr Sullivan held the office of Justice of the Peace and also was Highway Commissioner of Mona Twp., for many years. He acquired a large acreage of land four miles east of Cullom, Ill.

A Centenarian

George J. Koerner was born at Waldorf, Germany, February 8, 1857. He came to the United States in 1865 when he was eight years old, and first lived near Peoria, Illinois. A few years later in 1871 they moved southeast of Cullom in Ford County. On January 4, 1881 he married Sarah Sullivan, and they made their home also east of Cullom.

They were the parents of nine children - Edward, James, Mrs. Elizabeth Culkin, Mrs. Gertrude Deany, Mrs. Clementine Fecht, Mrs. Ella Morris, Victor, Madeline and Mrs. Irene Gassler.

Mr. and Mrs. Koerner moved to Cullom in 1913, where they spent their last years. Mr. Koerner was always interested in community affairs and served as road commissioner of Mona Township for many years and school director of his district. After moving to Cullom he served as school director of the Cullom school and was also a member of the village board.

On his 100th. birthday one of his many cards was from President Eisenhower. He received a telegram from Congressman Leslie Arends and also a card from his Grandson, Duane Morris, who was stationed in Panama at that time.

He passed away March 29, 1958, having reached the age of 101 years in February.

Notes

William Henry Gassler: One of the prime movers in thr formation and progress of the Grain Elevator and Processing Superintendents organization. Charter Member No. 15 on the organizations roles. Bill served as International President from 12 June 1931 to 2 April 1935. Throughout his long career in the terminal grain elevator business he was located at the Calumet Elevator in So. Chicago, Ill. Alway an enthusiastic supporter of the SOGES and GEAPS undertakings he could always be counted on to attend all meetings, to contribute ideas liberally, and to donate his experienced thoughts for the improvements of the profession. Invariably an active committeeman at the Chicago GEAPS Chapter and one of its earliest presidents. Commencing with Bartlett, Frazier and Company, Bill was later with Rosenbaum Bros, then with Norris Grain Co., prior to his retirement. More than a dozen GEAPS were pall bearers at his funeral which was fitingly well attended. Burial was in Ceder Park Cemetery, Riverdale, Ill. Bill was very active in Masonic organizations, serving as Master of his Blue Lodge and a member of the Oriental Consistory and Medinah Shrine in Chicago. At the State level he served a term as District Deputy in the Grand Lodge of Illinois. Masonic services were held at the gravesite.

Notes

Don Gassler: Born Wayne N. Pringle, son of Leland Pringle and Marguerite King, on 21 June 1929 in Washington, Iowa. One sister, Virginia, born in 1925 and one brother, Clifford, born in 1927. Parents separated in 1930. Children sent to Lutheran Children's Home in Muscatine, Iowa. Wayne was adopted, and renamed Donald, by the Wm H. Gassler's in 1934 and went to be raised by them in the Avalon Park neighborhood of SE Chicago, Ill. He schooled at Avalon Park Grade school and Hirsch High School. His Sister, Virginia, was adopted by a family in Nebraska and brother, Clifford remained in the custody of the Lutheran Home until he enlisted in the US Army c1946. Don's military service was in Korea, with the 5th Cavalry Regiment in 1951. He later attended Roosevelt College, Chicago, under the GI Bill. A career Civil Service Employee he retired in the fall of 1981 as a GS-13 from the 14th Street South Agriculture Building in Washington, DC. Don, and his wife Evelyn, spent their retirement years living along the Gulf Coast in Alabama and Mississippi .Genealogy and Family History was a 'Hobby' that both were very interested in. Beginning in 1987 research on the Pringle/King family began. In 1990 the entire Pringle/King family was reunited in Iowa. In their first meeting since the separation in 1930 the father, Leland, the mother Marguerite King, sister Virginia, brother Clifford and Wayne(Don Gassler)Pringle spent time together, At the time of these notes Clifford and Wayne (Don Gassler) Pringle are still living. Clifford Pringle lives in California and Don, and wife Evelyn, have an apartment in the Bay Towers Retirement Complex in Pascagoula, Ms. The Gassler/Lonergan family has made 1400+ connections.

Corp. Donald W. Gassler, son of Mr. and Mrs. W. H. Gassler, 8218 Dorchester ave., is home after receiving an honorably discharge from the army after having served for almost two years.

He arrived home in time for Thanksgiving and a family party in his honor two days later. He served for 18 months with the fifth cavalry regiment and seven months in combat duty in Korea. He was awarded the combat infantryman's badge of meritorious service in the front lines. He is a graduate of Hirsch High school.

BILL GASSLER PASSES AWAY

Wm. Henry Gassler, one of the prime movers in the formation and progress of the Grain Elevator & Processing Superintendents, passed away very unexpectedly on Aug. 6 in Chicago.

Charter Member No. 45 on the organization's roles. Bill served as International President from June 12, 1934 to April 2, 1935. Throughout his long career in the terminal grain elevator business he was located at the Calumet Elevator.

Always an enthusiastic supporter of SOGES and GEAPS undertakings, he could always be counted upon to attend all meetings, to contribute ideas liberally, and to donate his experienced thoughts for the improvements of the profession.

Invariably an active committeeman of the Chicago GEAPS Chapter, and one of its earliest presidents, he is survived by his son, Don, of Mobile, Ala., who is in the grain inspection service.

Commencing with Barlett, Frazier & Co. in Chicago, Bill was later with Rosenbaum Brothers, then with Norris Grain Co. prior to his recent short retirement.

About a dozen GEAPS were pall bearers at his funeral, which was fittingly well attended.

Born and reared near Forrest, Ill., he is believed to be the last survivor of a large family.

Always willing and anxious to assist in every way possible, Bill Gassler will be sorely missed by all who knew him. His place will be most difficult to fill. AUG. 1959.

Dear Don,

Your book "Some Decendents of Thomas Pringle" arrived safely. We thank you for sending it to us. We are looking forward to your visit. We will save the other books so you can have them back.

I don't know how long it has been since you visited our library but thanks to people like you who have donated books and the hard work of volunteers we have a great amount of materials.

I grew up in Brighton & remember Glen Pring. Mostly because he was my cousin's boyfriend & her mother wasn't very happy about it.

P.S. I took Juanita's place when she retired a year ago last January. I just glanced through your book & found my husbands picture (Class of 1937 55th reunion). Also I go back to Janie Davison & Mary Skelton. also to the Pringle/prindle wife M. Mary Desborough.

Dear Don,

Congratulations to you. Another one done and on the shelves. You get a lot more done with your time than I do with my time. We recieved your book last week and I am just now getting to you to thank you for the book. I actually got to read most of it. I was sure that none of my family was part of your book but I do enjoy the different formats that different authors use to print their works. I did enjoy your work and hope that someday I will get the energy and the smarts to do the same with a branch of my family. Your book is on the shelves at the public library along with your other books. We thank you very much for your kind donation. We have added a lot of books to the library just this year and hope you will be able to find even more when you come again this next year.

Happy Hunting,

Subject: Gilligan, Beasty, King & Pringle Family Records.

Please include the enclosed book(s) in the Family History section of your repository. The Gilligan, Beasty and King families are with origins in Ireland and the Pringle family has Scottish roots.

In sending these records to you, it is my desire to make this information available to as many other researchers as possible.

Much of this information has come from records in your location as well as several others in the USA and various research centers overseas. In recent years, my overseas travels have taken me to London and Edinburgh, in the UK. and Dublin in Ireland.

I would appreciate a response from you upon receipt of this submission, informing me of where the record will be stored in your center. During a future visit, I may wish to update material or add additional information to the record.

I wish to thank you for your assistance in the past and look forward to your continued support.

WAYNE NORMAN PRINGLE aka Don W. Gassler: Notes in Frank Pringle's Family Bible: Leland brought his children to our farm, 3.5 miles NW of Washington on 21 March 1931. He took them to the Lutheran Homes, in Muscatine, Ia., on 23 April 1930. Leland was married to Marguerite King on 6 October 1923 by a Methodist Minister in Iowa City. She left their home on 21 Mar 1930 and they were divorced in 1931. Their daughter, Virginia Arlene Pringle, was baptized 31 Dec. 1926 by Reverend Reade McCrory and their sons, Clifford Leland, and Wayne Norman Pringle, were baptized 10 April 1930 by Reverend Cbalmers Fulton of the United Prespyterian Church in Washington, Iowa. These notes were written by their Grandmother, Matilda Nelson Pringle.

MEMO DATED 7 Oct. 1935: To whom it may concern: Wayne Norman Pringle was born 21 June 1929 in Washington, Iowa. He was admitted into the Lutheran Homes 23 April 1930 and was discharged to Mr & Mrs William Gassler on 3 March 1934. Tonsil operation Aug 1931. Toxin-antitoxin given Feb. 1932. Committed to Evangelical Lutheran Society for Christian Cbarities at Muscatine, Iowa (Lutheran Homes) 18 April, 1931 by Judge D,V. Jackson, Muscatine, Iowa. Rev. William Klein, Supt.

1950 MEETING; My stepfather, William H. Gassler, was apparently contacted by someone in Iowa and given my brother Clifford Pringle's address in Fenton, Iowa. Knowing very little of my background I accompanied him to visit with the family. They lived on a small farm near Fenton, Iowa. Because I was only a baby when we children went to the Lutheran Homes it was all news to me. We bad a nice visit with them and then drove back to our home in Chicago, Ill. My Dad wanted me to meet with my brother again before my tour with the US Army. My Dad must have kept in contact with Clifford after that time. Personally, I had no recollection of the past events and went on with my life as if nothing had happened. My step-parents were very nice people and could not do enough for me.

U.S. CIVIL SERVICE:: In 1953 I began my career of service with US Dept. of Agriculture and continued until my retirement in the fall of 1981. My various technical and supervisory positions required travel to all sections of the country. These were busy and interesting times. The first assignment was as a GS-5 Grain Sampler in the So. Chicago, Ill., office of Agricultural Marketing Service. My job was to obtain a representative sample of grain from trucks, boxcars, barges and sbips and later process the sample for inspectors, so they could determine the quality level of a particular lot. On the job training prepared me for future positions as a grain analyst. The scope of the work covered a wide range of agricultural products from freshly harvested grains to processed products, such as flour and cornmeal. During the Vietnam War era, while working in California, we were inspecting all sorts of military food rations for quality,as well as inspecting other materials, to be used in the airlift of these supplies. A great portion of my inspection career was spent in the, then, large grain exporting markets,of Mobile, Al., New Orleans La., and Pascagoula, Ms. It was here that lots of grain were graded and certified, as to quality, while being, loaded aboard large ships. Some lots were certified that exceeded one million bushels of grain. Later as a GS-12, I became a Senior Member of the Board of Appeals and Review for the Grain Division in Washington, D.C. This post is the highest authority in the land and makes the final decision in disputes as to quality between buyer and seller. After several years at this post I, as a GS-13, became Head Of the Rice Inspection Section. Rice Inspection offices in the states of Texas, Louisiana, Arkansas, Tennessee and California were under my jurisdiction. This involved considerable travel for meetings with trade groups, growers and other interested parties. My travels took me to a lot of interesting places and I was fortunate to work with a lot of great people throughout my career.

Notes (Continued)

RETIREMENT; After retireing, my wife and I, moved back to our home in Aberdeen, Ms., and remained there until 1983 when we moved into a newly built home in Pascagoula, Ms. There, I was employed by the State of Mississippi Dept. of Agriculture as a Licensed Grain Inspector. This was the same type of work that I was doing early in my previous career. This employment lsted until 1992 when the local office was phasing out. The previous year we began building a raised home on a waterfront lot off of Fowl River in South Mobile County, Ala. It required about two years to finish the interior work, walls, doors, painting, installing heating and air, etc. With work completed, we enjoyed this location until 1998. We survived through several severe storms, close hurricanes, etc. but when GEORGES came to visit in 1998 our home was flooded with 3 feet of salt water in the lower level. I had just returned from a, four week, Far East trip to Korea and China, with fellow Korean War Veterans, the day before the storm hit. Evelyn and I packed up went to the Holiday Inn and stayed 3 nights until the roads were passable again. The house was such a mess it took about three months, of cleaning and repairing things, to get back to normal. Shortly thereafter we first considered selling out and move into a Retirement Complex. We found just what we were looking for in Pascagoula, Ms. at Bay Towers on Market Street. This is an over, age 50, apartment complex with Studio, 1bedroom and 2 bedroom apartments on the 3rd and 4th floors. The lower two floors is Assisted Living for people who require some care. Meals are served, planned recreation includes exercise and monthly group travel to local sights of interest and local eating places. There are a total of 80 apartment units.

TRAVEL; During our marriage my wife and I have taken a couple of trips to Mexico. The first was an automobile visit to Mexico City in 1968 just prior to the Olympic games. We were pleasantly surprised by the recent improvements in their highway system and the new motel space available. Overnight stays in Monterrey, San Louis Potosi were enjoyable. In Mexico City the traffic was really congested. We decide to ;h;ire a daily guide to take us to the various sites, such as the Floating Gardens, Museums and the Pyramid Comples. All of this was very interesting. I did manage to climb to the top of the Pyamid of the Sun during out visit. The food served in the restaurants and hotels was also very good. The second visit was in 1969 when we few on Pan-Am airlines from New Orleans to Merida on the Yucatan peninsula. This is the area of the ancient Mayan civilisation that was of interest to us. At the airport I rented a vehicle for use during our stay. Our motel was relatively new and was beautifully landscaped. The meals served were excellent. Each day we would travel to a different site to see ancient Mayan pyramids and temples. The Chichen Itza pyramid has been restored and I was able to climb to the top. It was very early in the morning and still cool. This was in July, the hot and steamy season in this region. The climb is very steep and much care must be taken to avoid a fall. The most difficult part is coming down. They do have a large chain to assist you. I was also able to tour the inside of this pyramid. A guide took a few of us down a long stairway going down to were there was a large reclining stone image of a leopard. This was a major place of worship for the Mayans. Another day we drove to a cave site where Mayans worshiped. Inside there were religious relics that had been used for centuries by the local people. These are shallow limestone caves and therefore not as cool as the normal cavesite. In one area we visited, electric power lines were being strung to supply power to some of the local homes and also to the newer motels and hotels being built. This was on the way to Cozumel Island, which at that time had not yet become a tourist site. The city of Merida was full of windmills used to furnish water to the local homes. The people were very friendly and we enjoyed the visit a great deal. My next foreign travel was in the 1990's. Travelling with the Travel Club out of Jackson, Ms., I toured England, Ireland and Scotland in 1995' After the overseas flight we toured for three weeks by bus and ferryboats. This was especially of interest to me because my ancestors emigrated from the British Isles to the U.S. In 1996 my travels took me to mainland Europe to visit Holland, Germany, Austria, Switzerland, Italy and France. During 1997, with Elderhostel, I again visited the British Isles for three weeks. These tours are planned during the summer months and participants are housed in various college dormitories. The 1st week was at Dalkeith Abbey, an adult education center south of Edinburgh, Scotland. The classes there were on the history of Scotlands traditions and customs. The 2nd week we were in Bangor, Wales on the campus of North Wales University. A very modern facility where the Welsh languageis spoken by the faculty. Our course there was on Welsh history and archealogy. Field trips to local castles and and old Roman era ruins were visited. The 3rd week was in downtown London at the London Scool of Business. The course there was, ' London, then and now'. Lectures covered the history of London from pre-roman times to the present. Field trips to many of the famous historical museums, churches, palaces, parks and amusement areas were included. An evening cruise on the Thames River was included. Later in 1997 my travels took me once again to the British Isles. This was a three week trip to Ireland, with Elderhostel, The 1st week in the Dublin area with visits to Trinity College, local museums and the genealogical headquarters. Research was done on family history. The 2nd week was in Co. Sligo, in the west of Ireland, at St Angela's College. At this location lectures were given on Irish history, relations with England, Irish emigration to the US and the situation in No. Ireland. The 3rd week we were housed in the very modern University of Limerick in SW Ireland. Irish literature, Irish writers and poets were the subjects of lectures along with field trips to the Rock of Cashel, the Burren and Bunratty Castle. The Elderhostel organization does an excellent job in organizing their travel. These are really worthwhile tours. My 1998 tour to the Far East sponsored by the Korean Government for Korean War Veterans and their families. The 14 hour flight from Los Angeles to Seoul, Korea was quite a contrast to the 9 day ocean voyage aboard the USNS General John Pope in 1951. The group received VIP treatment during the stay. Guided tours of the DMZ, Inchon landing site, museums and other sites relating to the 1950-53 War were visited. Some of the sites were close to where I was stationed in 1951. Local government buildings, temples and shrines were included in our tour. From Korea we flew to Hong Kong for some more sightseeing. From there our group entered mainland China for a week's stay. While there we cruised the Li River, walked on thr Great Wall, experienced the Terra Cotta warrior army near Xian, entered the Forbidden City, in Bejing and walked the waterfront in Shanghai. Aecomodations were 1st class, we adjusted to the local dining specialties. With the great distances involved, air travel was necessary between most of the locations. This was a once in a lifetime experience for me.

REUNION: See notes under Marguerite King Pringle.

2001 SCANDINAVIAN ADVENTURE & ST PETERSBURG, RUSSIA; This was a wonderful visit to Denmark, Norway, Sweden, Finland and the St Petersburg area of Northern Russia. Our group was headed by a professional tour guide from Holland and a bus driver from Italy. Accomodations were excellent and many interesting sites were visited.

Federal Grain Inspection Service; Adjustment of Fees for Federal Rice Inspection Services

AGENCY: Federal Grain Inspection Service, USDA.

ACTION: Final rule.

SUMMARY: The Federal Grain Inspection Service (FGIS) is increasing the fees for Federal rice inspection services approximately 15 percent from the present schedule effective August 10, 1980. Rice inspection services are made available only upon the request of an applicant. The cost of performing rice inspection services has exceeded revenue since August 1978 when the fees were lowered to reduce the reserve fund. The reserve fund has been reduced sufficiently so an increase in fees will be implemented to reduce the rate of loss for this program activity.

EFFECTIVE DATE: August 10, 1980.

FOR FURTHER INFORMATION CONTACT: Don W. Gassler, Rice and Commodities Branch, Inspection Division, FGIS, USDA, Room 0637 South Building, 1400 Independence Avenue, SW., Washington, D.C. 20250, 202-447-8601. The Final Impact Statement describing the options considered in developing this final rule and the impact of implementing each option is available on request from the Director, Issuance and Coordination Staff, FGIS, USDA, Room 1127 Auditors Building, 1400 Independence Avenue, SW., Washington, D.C. 20250, 202-447-3910.

SUPPLEMENTARY INFORMATION: This final action has been reviewed under USDA procedures established in Secretary's Memorandum 1955 to implement Executive Order 12044, and has been classified as "significant."

Dr. L. E. Bartelt, Administrator, FGIS, has determined that a situation exists which warrants publication without opportunity for a public comment period on this final action because the collection of fees which are reasonable and as nearly as possible cover the costs for providing inspection service is prescribed in Section 203(h) of the Agricultural Marketing Act of 1946. The need for the increase in fees for services and the amount of the increase is known to members of the trade and is based on facts within the knowledge of FGIS. These changes are being announced in advance of the implementation date to provide the users of the inspection service ample time to incorporate the increase in fees into their handling costs.

Therefore, pursuant to the administrative procedure provisions in 5 U.S.C. 553, it is found upon good cause that publication of a notice of proposed rulemaking and other public procedures on the provisions of § 68.42c of the regulations, as set forth in this document, are impractical and unnecessary, and good cause is found for making these changes effective August 10, 1980.

In August 1978, the fees for rice inspection services were lowered in order to reduce the operating reserve fund which is maintained for contingencies when fees may not cover costs of providing the inspection service. The rate of monetary loss for the rice inspection program has rapidly increased in the past months which necessitates a fee increase at this time. FGIS had considered raising fees approximately 10 percent in March of this year but, at the request of representatives of the rice industry, postponed the increase until August so as to coincide with the start of the new crop year. As a result of the postponement, together with the rapid increase in costs of providing the inspection service, it has been determined that the fee increase shall be 15 percent. This increase will reduce, but not halt, the rate of loss for the rice inspection program. The FGIS fee schedule for rice inspection services will be monitored closely throughout the year to determine if the level of the fees is adequate to maintain a reasonable operating reserve. When practicable, future adjustments in rice inspection fees to cover program costs will become effective to coincide with the crop year for rice.

The adjustments in fees include changes in the:

(1) Commitment service hourly rates, except holidays, from $14.80 to $17.00 between the hours of 6 a.m. and 6 p.m. and from $17.80 to $20.40 between the hours of 6 p.m. and 6 a.m. For holidays, from $20.80 to $24.00.

(2) Noncommitment service hourly rates for Monday through Friday, except holidays, from $18.80 to $21.60 between the hours of 6 a.m. and 6 p.m. and from $21.60 to $24.80 between the hours of 6 p.m. and 6 a.m. For holidays, from $24.60 to $28.20.

(3) Inspection for quality fee per lot or sublot when performed at other than the point of sampling and the per sample fee for sample inspection from $10.90 to $12.50 for rough rice, $9.30 to $10.70 for brown rice for processing, and $7.80 to $9.00 for milled rice.

(4) Fee per factor for any single factor from $3.10 to $3.60.

(5) Fee for extra copies of certificates (per copy) from $1.00 to $1.15.

(6) Establishment of a $10.00 fee (per sample) for the Parboiled Light Intarpretive Line.

In 7 CFR Part 68—Regulations and Standards for Inspection and Certification of Certain Agricultural Commodities and Products thereof, § 68.42c Faes for Federal rice inspection services is revised to read as follows:

§ 68.42c Fees for Federal rice inspection services.

The following fees apply to the Federal rice inspection services specified below:

Service and Fees

(a) *Appeal inspection.* The same inspection fee is charged as would have been charged if the inspection were not an appeal. No charge is made if the appeal result indicates a material error was made on the original inspection.

(b) *Commitment service.* An applicant may enter into an agreement with FGIS for rice inspection on a weekly basis, whereby the applicant agrees to pay for a minimum of 8 hours of service per day per person, for 5 consecutive days per week and FGIS agrees to make official inspection personnel available to perform such service for the applicant at reduced hourly rates. If one of the 5 consecutive days per week falls on a holiday and inspection services are not needed, the applicant is not charged for this day.

To enter into a commitment agreement, the applicant must give FGIS 60 days written notice specifying the proposed effective date of the commitment. However, a commitment may become effective prior to the proposed effective date with the consent of both parties. To terminate a commitment, the applicant must give FGIS 60 days written notice specifying the date of termination.

The commitment service can be used by one applicant who guarantees to pay for the full 8 hours per day per person for 5 consecutive days per week, or by two or more applicants each guaranteeing to share the cost of the 8 hours per day per person. Each party to the commitment must agree to assume an even number of hours so that charges may be easily prorated.

Under a commitment service, FGIS reserves the right to: (1) Determine the number of official inspection personnel needed to perform the service for a commitment applicant, (2) terminate a commitment agreement by giving the applicant 60 days written notice specifying the date of termination, and (3) temporarily reassign official inspection personnel from a commitment applicant when, in the opinion of the Administrator, the official inspection personnel are not needed to perform service for the commitment applicant. Notes

MARGUERITE KING PRINGLE: The daughter of a devoutly Catholic family, Marguerite, received her education at the St. James Church school in Washington, Iowa. Several of her siblings also attended school there. Born in 1903, little else is known about her childhood years.

Her first marriage to Leland N. Pringle in 1923 ended in 1930 when she left the family home. Later in 1930 their three small children were admitted to the Muscatine, Iowa Lutheran Home. This is the last time the chilren remember seeing her until the reunion in 1990.

Her second marriage to Clyde Garrett sometime in the 1940's didn't last very long. This, according to Mrs Shelman a relative of Marguerite. Clyde was a salesman for the J.C. Penney Co., in Washington, and also a member of a local professional dance band. They were later divorced. There were no children involved.

1990 FAMILY REUNION:

During 1990, contact was made with the Pringle family in Washington, Iowa through Dorothy Pringle, the widowed wife of Burl Pringle, who was living in the Halcyon Home She informed me that my Bio-Father, Leland Pringle, was living in Springville, Iowa, with his 2nd wife Blanche, in a retirement complex. He told me where my brother, Clifford and my sister, Virginia were living. It was Mrs Shelman, Washington, Iowa, who informed me that my Bio-Mother, Marguerite, was living in the Washington Iowa Care Center with crippling arthritis. When I met with her, after a 60 year separation, she was quite alert and her memory was very good. I informed my brother and sister of her condition and we planned to travel to Washington and meet with her again after 60 years. In Aug. 1990 family members met with her. She seemed stunned, by it all, but was happy to be with her family again,.recalling thing that happend so long ago. She passed away three months later. Her burial site, in Elm Grove Cenetery, is marked with a stome place there by her son, Wayne(DonGassler)Pringle in 1990. Her parents are also buried at this site.

Notes

Leland Norman Pringle: Son of Frank and Matilda Nelson Pringle. Raised on family farm northwest of Washington, Iowa. Little is known of his early life but we do know that, for a time, he delivered dairy products with a horse and wagon for Sanitary Dairy in the 1920's. He is reported to have named his first son, Clifford, after the owner of the dairy. In 1930, after his wife Marguerite left, he took his three small children, Clifford, Virginia and Wayne(Don Gassler)Pringle to the Muscatine Lutheran Homes for Children. Around 1950 Virginia and Clifford made contact with him again. At this time he was living on a farm east of Springville, Iowa. He and his wife , Blanch, lived there between 1944 and 1980. When he retired they moved to the retirement complex in Springville. It was there I met him, after 60 years, in 1990. It was an interesting , but not very informative, get together. He seemed reluctant to recall the past. We met again, several times, before he passed away in 1992. He is buried in Keota, Iowa. Other notes on reunion under Marguerite King.

Tearful reunion

Washington Care Center resident Marguerite Garrett, seated, was all smiles —and tears — as she was reunited with her children that she hadn't seen for 60 years at a reunion earlier this month. Standing behind her are her children, from left, Don Gassler, Coden, Ala.; Virginia Wittig, Cook, Neb.; and Clifford Pringle, San Bernadino, Calif. — Journal photo.

Reunion leaves lady, children in disbelief

After 60 years, Garrett sees her children

Memories light the corners of my mind.
Misty, water-color memories of the way we were.
Scattered were pictures of the smiles we left behind,
Smiles we gave to one another,
For the way we were.
Can it be that it was all so simple then?
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me, would we? Could we?

— "The Way We Were"
By Alan and Marilyn Bergman

By BROOKS TAYLOR
Of The Evening Journal

Alan and Marilyn Bergman weren't thinking about Marguerite Garrett when they wrote the words to their hit single, "The Way We Were," but the Washington woman has been singing their song since early August.

While summer is the time for family and class reunions, Garrett had a recent reunion that will top all those other afternoon picnics under the oak tree in the park. In fact, she's still scratching her head in bewilderment.

So are Don Gassler of Coden, Ala., Virginia Wittig of Cook, Neb., and Clifford Pringle of San Bernadino, Calif., the others who were at the reunion in the Washington Care Center.

GASSLER, WITTIG AND PRINGLE are Garrett's children — children Garrett hadn't seen for 60 years ago, and children who had given up any hope of ever seeing their mother again.

"I really don't know what it feels like (to be reunited with her children)," Garrett said recently after the shock waves had subsided. "I just can't describe it. I'm just dumbfounded. I couldn't believe it, and when I saw how nice they were, I still couldn't believe it...They really are nice kids."

Likewise, the children found a mother they had given up hope of finding. "I always had in the back of my mind that she was dead," Pringle remarked. "We're lucky to have found her alive and as well as she is. We could have found her in a vegetable state and that would have been very disappointing."

They still may be kids to the 86-year-old Garrett, who resides at the local care center, but the term lends more credence to a jump into a time capsule for a journey back in time when 5-year-old Virginia, 3-year-old Clifford and 10-month-old Don (he was named Wayne at birth, but his name was changed to Don when he was adopted) were placed into the Lutheran Home in Muscatine for adoption in 1930.

Circumstances surrounding the reasoning for placing the children into the home are muddled, and none of the children nor Garrett are willing to supply information that would clear up the picture.

> ***'I really don't know what it feels like. I just can't describe it. I'm just dumbfounded.'***
>
> **— Marguerite Garrett**

GARRETT AND HER HUSBAND, Leland, were divorced in 1931, but court records regarding the dissolution cannot be located, and Garrett, while refusing to comment on the dissolution and placement of the children, hints they were placed in the home against her will and the incident has haunted her and left her with a bitter taste for the past six decades.

"All these years (without knowledge of the children's whereabouts) have been terrible," Garrett said with a frown and a stern tone in her firm voice. "There was nothing I could do about it

(placement of the children in the home). He fixed it to suit himself."

"I don't forget very easily, and it's a very upsetting thing. I was foolish for letting him do it. He was the one who did it. I'm older now and I raise more heck about things," Garrett exclaimed, adding a slight foot stomp for emphasis.

Her former husband has a different version of the circumstances which led to the children's adoption. Speaking from his Springville home, he said he had no choice in the matter as he came home from work at the Washington Dairy one day and discovered his wife had left him.

"I came home and she had walked out," he said. "I didn't have anybody to take care of them. It was a hard decision, but what else could I do? She just walked out and left."

The children, however, are willing to extend the olive branch and focus on the future. "We really don't know what the circumstances were and nobody has asked or will ask. I don't have any resentment toward anybody for what happened. There are two sides to every story" Gassler explained. "I feel the same way," Pringle echoed, "why pinpoint her down now?"

This summer's reunion actually was a two-pronged occasion because not only did it reacquaint a mother with her children but it also was the first gathering of the children in nearly 60 years.

THAT'S BECAUSE THE CHILDREN traveled through different exits from the Muscatine home. Wittig was adopted by a Nebraska family when she was 8, Gassler was adopted by a family in Illinois shortly before his second birthday, and Pringle wasn't adopted as arrangements to place his sister and him in the same family fell through.

> ***'I got lucky because when I came here, I assumed everybody was dead.'***
>
> **— Don Gassler**

"They (Nebraska family) tried to adopt Virginia and me at the same time, but they didn't have the money so they took Virginia," Pringle recalled.

Consequently, he was placed with a foster family at Ryan until he was 15 and then lived with other foster families in Fenton and Clarion until he was 18 and drafted into military service.

Wittig remained in contact over the years. But contact with Gassler was another matter as with the exception of a brief meeting in the early 1950s, the brothers lost contact of each other, a fact both regret.

"I had met Clifford back in 1950 or 1951 because my dad brought me out to meet him and we spent about two hours together. That was my last contact with him," Gassler explained. "I wrote him a few letters after that, but when he moved to California, we lost contact.

"...I GUESS I WASN'T overly concerned about losing contact with him," he continued. "I was working for the government around the country and my job kept me pretty occupied."

Gassler also knew he had a sister, but again, contact wasn't a priority. "I never had any idea where she was. Over the years, I really didn't think about it (initiating contact) because we were in different worlds and my adoptive parents were great. You couldn't ask for a better set of parents."

Both Pringle and Wittig, unlike Don, also knew that their father was still alive and residing in Springville, and both had visited him several times and kept in contact with him on a regular basis.

In fact, the pair's regular communication with their father opened one door when Gassler grabbed the shovel and began a little "root digging."

Gassler's interest in finding information about his "other" family was spurred through a dab of curiosity and his wife's (Evelyn) involvement in genealogy, but like most who dabble in the activity, he discovered more dead ends than through streets as he began unraveling the twisted knots of genealogy.

"OCCASIONALLY, I WONDERED ABOUT my birth family, but I was never hooked on it because I had another whole family in Illinois," Gassler reflected. "Not knowing about my birth family never really bothered me and it was more curiosity than anything else that started me looking into my birth family. I just wanted to fill in a few gaps and since I was retired, I had a lot of time to do it."

He began his search in 1986 when he wrote to Des Moines for his parents' marriage certificate. He knew the name of his parents, brother and sister through some adoption papers that included the information, but that was the extent of his background material.

After receiving the marriage certificate, he suspended his search until earlier this year when he put a notice seeking information on his brother, sister and parents in Juanita Herring's "Tracing Our Roots" column which appears weekly in *The Evening Journal*.

But before he received a response, he decided to visit Washington to conduct his own investiga-

Rather than stumbling across tombstones during that May visit, he found a father, sister and brother. "I got lucky because when I came here the first time (in May), I assumed everybody was dead," said the 61-year-old Gassler, "and that I would just find tombstones."

INSTEAD, HE FOUND DOROTHY Pringle's name in the Washington telephone directory. "I looked for Pringles in the Washington and surrounding area phone books and just took a 'shot in the dark' and called Dorothy." Dorothy, he learned during the conversation, is his aunt and she steered him to his father.

While Gassler was visiting his father, his sister, Virginia, called and Gassler filled in two more pieces of the puzzle — gaining her and his brother's addresses.

Gassler was indeed "rolling sevens" and that tidal wave of success swelled around him when he returned home and found a letter from Washington's Mildred Shelman in his mail box. Shelman had seen his notice in Herring's column and, yes, she had the final information to solve the case of the missing mother.

Shelman had married a cousin of Marguerite Garrett, and told Gassler his mother was alive and living at the Washington Care Center.

That information prompted a June trip to Washington and his first meeting with his mother in 60 years. "I just told her I was Wayne, her youngest son," Gassler recalled, "and she was real happy and shocked that after all these years, she was able to meet me."

He spent a week in the area in June organizing the reunion, and his work paid off in something that couldn't even fill the dreams of wild dreamers.

"IT WAS SUCH AN emotional moment for me, I don't even know what I said," Pringle reflected on his first meeting with his mother this month. "It was probably one of the greatest moments in my life. It was also the first time the kids were together. She could hardly believe it and I couldn't either. I still don't know if it's true. Being able to see my mother is probably the best thing in the world that's happened to me. You don't know how good it is to see your mother when you never expected it to happen."

"I'm just overwhelmed by it all; I still can't believe it's true. It is quite a thing to have two families."

Pringle said that although his mother was constantly in his thoughts during the last 60 years, those thoughts never led to action. "My wife and I had talked about it (searching for his mother) many times, but I always thought it was her responsibility to find us because she had left. I've had a good life, but once Don told me about the reunion, I really wanted to see her."

Wittig can't remember what her first words were to her mother either, and like her brother, she said she is still overwhelmed.

"IT'S JUST A FUNNY feeling — how it all happened after 60 years," she said. "I'm just stunned and really can't tell you how I feel. I guess after all these years you wonder if you'll ever see your mother or brother (Gassler) again. I had no idea where either were. I never thought I'd find my mother. It's really been a big thrill for me and it's been some year."

'It's just a funny feeling — how it all happened after 60 years. I'm just stunned...'

— Virginia WITTIG

Reflecting back on a search that found the pot of gold at the end of the rainbow, Gassler said he feels both relieved and happy. "I really thought I would have a hard time locating her, but here she was — still in the area. I was thrilled to see her and she was thrilled to see me. I guess my feelings (during his first visit) were about normal for a son being reunited with his mother. I have no hard feelings toward her. It was just great seeing her and my brother and sister."

The reunion still causes tears to flow down Garrett's wrinkled face but she can easily be excused for being sentimental over an emotional event she never anticipated.

"I'm a fool for crying," she said as she swept a tear from her cheek, "but tears come to my eyes whenever I talk about my children. I just couldn't believe it was true when I saw them, and to this day, I still can't believe it's true."

Memories may be beautiful, and yet,
What's too painful to remember,
We simply forget.
So it's the laughter we will remember,
Whenever we remember the way we were.

- *Name:* Robert CULKIN*
- *Sex:* M
- *Birth:* 1823 in Tubcurry, County Sligo, Ireland (to US 1845)
- *Death:* 22 NOV 1907 in Chatsworth Livingston, IL-bur.St.Patrick's Chatsworth
- *Fact 1:* 1855 Came to US from Ireland
- *Fact 2:* 1855 lived in New York 3 years
- *Fact 3:* 1858 moved to New Jersey- lived there 1 year
- *Fact 4:* 1845 7 weeks on ship crossing Atlantic
- *Fact 6:* 1866 got married & lived in Chatsworth, Livingston, IL
- *Fact 7:* Farmed in Chatsworth
- *Fact 8:* Catholic
- *Fact 9:* Name Culkin is County Galway name
- *Event:* Fact4 1859 moved to Joliet, Ill-worked on railroad-IC @ $1.25 per day
- *Event:* Fact4 1866 stopped working railroad
- *Event:* Fact 1861 sister Catherine Culkin (later marr. Patrick Fitzmorris)came to US to live with
- *Reference Number:* 242
- *Note:*

It appears that Robert was the oldest of 5 cousins who came to the Rochelle-Carthage area of Illinois with 5 years of each other. Robert arr in US in 1845, two of his 1st cousins, themselves 1st cousins so close they referred to themselves as "brothers", left Ireland together in 1849-they were John Culkin & Lawrence Culkin. John was born in 1832 & Lawrence in 1830. John's brother was Patrick Culkin of Rochelle, Ill & Lawrence's brother was Daniel who lived in Keokuk, Iowa during Civil War & later moved on to California.

The fathers of Robert (James) and Patrick & John (their father's name is unknown) and Lawrence & Daniel & their brother who remained in Tubcurry, County Sligo, Ireland, Harry Culkin's father (whose father's name is also unknown) were brothers. So in Tubcurry, Sligo, Ireland ca 1798 to 1804 at least 3 Culkin brothers lived & had sons. One of the brothers was James Culkin, b. ca 1798 father of Robert & John(who immigrated to Austrailia). Culkin brother #2 was father of Patrick & John Culkin of Carthage & Rochelle, Il. Culkin brother #3 was father of Lawrence(whose son was Harry of Keokuk grocer business), Daniel(who lived in Keokuk, Iowa during Civil War & then on to California), & Harry who remained in Tubcurry, Sligo, Ireland.

Speculate that possibly the older cousins, Robert, Patrick & Daniel came to US together? Perhaps the early death of Robert's father, James Culkin, caused the cousins to be raised together? Perhaps explaining why Lawrence & John called themselves "brothers" and were closer to each other than to their actual brothers?

Father: James CULKIN* b: ABT. 1798 in County Sligo, Ireland
Mother: Mrs.James CULKIN* b: ABT. 1803 in County Sligo, Ireland

Marriage 1 Mary QUINN* b: 1839 in Ireland (to US in 1855 liv v.w/sister in Detroit -later to Dixon, Lee Co, IL

- *Married:* 4 DEC 1866 in St. Patrick's Catholic Church, Dixon, Lee County, IL
- *Marriage fact:* 4 DEC 1866 in rec. of marr at Church & Courthouse, Dixon, Il-could not be found in June 1994-J
- *Marriage Ending Status:* Death of one spouse
- *Note:*

> In 1866 Robert left Piper City, Il & travelled to Lee County where he met Mary Quinn, of Rochelle, Ill. She was also an immigrant from Ireland. Why he returend to Lee County & the town of Rochelle in 1866 is unknown, 2 possible reasons: He was probably lonely to talk to someone else from Ireland & hear news of home, & Patrick Culkin of Rochelle was his closest contact & male relative. Also Robert may have known Mary Quinn previously (in Ireland?) and known she was there & hoped to she her. Patrick Culkin was Robert's 1st cousin . Patrick had a brother, also Robert's 1st cousin, named John Culkin of Carthage,Ill. There was also another 1st cousin named Lawrence Culkin who was born in County Sligo in 1830. This Lawrence was the father of Harry R. Culkin later of Keokuk, Iowa who had a business -wholesale grocers- called S. HAMILL CO. (Ltr. to Mrs. William Culkin dated 1940).
>
> Robert & Mary Quinn were married very shortly after he came to Rochelle, another possibility is that he was seeking a wife & this was known to his cousin Patrick of Rochelle & Patrick new Mary Quinn of that same town & Patrick thus made them known to each other.

Lutheran orphans and old folks' homes

The cold snow covered the ground in this 1906 photo of the Lutheran Orphans' and Old Folks' Homes, but the warmth of caring people made life more bearable for many orphans and elderly during those early years. To the left is the Boys' Cottage, formerly the Benjamin Hershey mansion, and to the right is the original Old Folks' Home, built in 1905.

The Lutheran Homes is still in operation on Route 6, Hershey Road, but is no longer an orphanage. New buildings have been added on the grounds, most notably Valley View Manor, a large nursing home facility where 24 hour medical attention is available to the ill and elderly.

Orphaned boys and staff

All dressed up in their Sunday go-to-meetin' clothes, this group of orphaned boys lined up in 1905 to have their picture taken at the Lutheran Homes with staff members and visitors. Many children from Muscatine county who did not have parents to care for them were welcomed at the Lutheran Homes through the years.

Muscatine Journal and News-Tribune, Saturday June 15, 1929.

Lutheran Dormitory is a model structure for its purposes. Building has many features: Hospital, Baby Section and Sun Room are important units. Constituting one of the most extensive improvements since the founding of the institution, the new girl's dormitory and baby unit at the Lutheran Orphans and Old People's home will be dedicated Sunday. Landscaping of the terraces in front of the structure has enhanced the natural beauty of the setting and the remodeling of the children's home which will serve as the boy's dormitory has made the institution one of the finest and most completely equipped in the state.

Many features are incorporated in this new building making it a model structure for the purpose it will be used. Many of the furnishings and supplies used in the home have been donated by friends of the institution as memorials. The hospital unit, which will make possible performing of minor or emergency operations, the baby section with the sun room equipped with Vita-Ray windows, an isolation section for children entering the home are some of its notable features.

The new dormitory was erected and improvements to other buildings at a total expenditure of $75,000. Of this amount all but about $2,000 which was used for furnishing, went into the major building and other repairs.

The Bethany home is a three story building with the exterior of patrician brick and the interior finished with hollow tile, metal lathe and smooth plaster effect. The dining room, reception parlors, matron's suite, diet kitchen, bath and cloak rooms will occupy most of the main floor. The large reception room is to the right of the central entrance. It was furnished completely by Mrs J. F. Reinsch of Dubuque, Iowa, as a memorial to her husband, the Rev. J. F. Reinsch. The matron's suite consists of a living room, bedroom and a private bath. Along the hall covering the extreme width of the building is the dining roon which will be used by all of the children of the home. It was furnished completely by M. Feldman of West Burlington, Ia. From the dining room to the left is the diet kitchen, equipped with a small skelgas stove and sinks for washing dishes. The general cooking will be done in the central kitchen in the old people's home where a large gas range has been installed. This kitchen is connected with the new building by a large hall adjoining the dining room. Bath rooms and a cloak room are located on this floor. A feature room is the ironing and sewing room equipped with eight built-in ironing boards and sewing machines. The boiler room leads off this floor equipped with an oil burner.

A gymnasium is located across from the boiler room, both rooms beginning five feet below the floor level and extending the full height of the first floor.

Composition floors are used throughout the first floor. The woodwork is walnut stained oak and pine with the stairways of oak.

Four dormitories are located on the second floor equipped with walnut stained iron beds and steel lockers accommodating seven girls in each dormitory. Each two dormitories are joined by an attendant's room. Two bathrooms, an assembly room and a linen room are on that floor. The right wing of the second floor houses the baby unit consisting of a large crib room equipped with Vita-Ray windows, a diet kitchen, bath and nurse's quarters. This unit is being completely furnished by the Orphan's society of St Stephen's church, Chicago. It is given in memory of Mrs Audrey Jaudrey.

Five dormitories, two attendant rooms, a guest room, two baths together with the hospital unit are on this floor.

The isolation room is located on this floor. Children entering the home for the first time will be kept in this department for two weeks to prevent spreading of contagion.

A sun room which is also equipped with Vita-Ray windows and nurse's quarters are on the third floor.

Most of the floors on the second and third sections, including the halls, baths, hospitals and baby units are of composition material finished in a shade of red and gray. The dormitories, attendants, guest and assembly rooms have oak floors varnished and waxed. The three floors are connected by speaking tubes.

The hospital unit will be equipped with an operating table and other surgical supplies, where minor operations can be performed.

Much of the dread of sickness and physical defects has been removed from the minds of the home officials throough the service rendered by a group of Muscatine doctors, and dentists. Outstanding has been the service given by Dr.J. L. Klein. He has answered calls to the home both day and night, has cared for members of the home and officials without any charge. Reduced hospital rates have been secured for those who required hospital care. Since Dr. A. J Sywassink has been associated with Dr. Klein he has offered the same service and both are available at any time. Dr. W. H. Johnson, specialist and Drs. A. M. Lingo and A. J. Greiner, dentists, have contributed part of their service to the home and its officials.

The building is of fireproof construction. Steel fire escapes are located on each floor. Fire equipment is placed at intervals throughout the buildings.

A refrigeration unit is a new feature of the building. A climax refrigeration unit providing two large refrigerated rooms is located next to the central kitchen.

As part of the improvement program the entrance of the original Hershey Orphan's home was remodeled to correspond to the entrance of the new building. The portal was donated by Mr. and Mrs. W. Turk and the work was done by J. Korshot.

Play grounds will be adequate;y equipped when the grounds are finished. They will eventually comprise a track, tennis courts, baseball diamond and room for playground apparatus.

Among the local concerns to furnish material for the new building are the Collins-Hill Lumber and Coal company, which supplied all the lumber used in the construction work and the Muscatine Lumber and Coal company, which furnished the Johns-Manville roofing.

Kohler plumbing fixtures were installed by the Sanitary Plumbing and Heating company throughout the building. The Sanitary firm also installed the American District steam heating system.

Furnishings which include beds and matresses as well as furniture and rugs in reception rooms, were secured from the Glatstein Store. The O. W. Hintermeister company supplied all the rock and sand needed in the construction. A carload of cement was used in the erection of the edifice and was purchased from the Beach Lumber and Supply company.

The Stein Furniture company placed the curtains at all windows, which are equipped with Chamberlin weatherstrips. Wiring throughout the dormitory was installed by the South Side Electric shop. Fixtures were purchased from the G. A. Chaudoin Electrical company. Plastering was done by Carl Tiecke.

Other companies which supplied material used in the dormitory include the Tri-City Stone company, which furnished cut stone for both the girl's dormitory and the new entrance on the Hershey boys dormitory, and the Rock Island Bridge and Iron works which fabricated standard steel fire escapes.

Muscatine, Iowa Lutheran Home.

The new Bethany home dormitory and baby cottage at the Lutheran erected at the cost of $75,000, will make possible the accomodation of more than double the number now cared for by the institution, officials of the home announced.

The girl's dormitory will accomodate 50 and more can be taken in if the need requires. At least six babies can be admitted at one time in the baby unit which is part of the new home. The former children's home, which housed the boys and girls has been altered and in the future will house boys of the home, 50 being provided for.

At present 24 boys and 24 girls are being cared for. While the orphanage was first started as a home for Lutheran children it has been expanded and children of other denominations have been taken. A standard school of two grades is conducted by the home. Rates of the home are $3 a week for children whose parents are living, but many are being cared for at less than that amount and some, whose parents are without funds are cared for without charge. For many years the home was not qualified to adopt children out but three years ago a license was secured from the state providing adoption privleges.

Funds for the maintenance of the home are contributed by organizations and churches of the southern and western districts of the Evangelical Lutheran Synod of Iowa and other states. Two other orphanages are sponsored by the Lutheran organization, one at Waverly, Is., and the other at Toledo, Ohio. The Evangelical Lutheran society for Christian Charities is in charge of the local home.

Zion Lutheran Home School Building
Muscatine, Iowa

This photo is dated 1936 showing students at the front entrance to the brick schoolhouse on the hill. There were 87 steps leading uphill to the school from the children's dormitories. The first six grades were taught in this facility. There were three big rooms; one for older kids, one for younger kids and a music room. The old schoolhouse bell is on display at the present Muscatine Home called Valley View Manor.

Hundreds of people visit during 75th birthday event

On January, 2, the Lutheran Homes observed its 75th birthday. It was observed with an Open House beginning with January 1 and extending through the 4th. Hundreds of people went through the Homes. We only wish that you might have heard them speak in terms of how wonderful the homes is beyond their expectations and quite a few indicated that if the time would ever come, this is the home where they would want to live. Members of the Board as well as members of the Alumni and residents served as guides in touring the homes.

It will be remembered that the Home was established on January, 2, 1895 when the Rev. Henry Reinemund gathered a group of 12 men in the basement parlors of Zion Lutheran Church, Muscatine, and founded the Lutheran Homes Society for Christian Charity. We have been privileged to render continued services to those in need. During the past 75 years, several thousand children and hundreds of aging people have found the Homes ready to extend a Christian hand of helpfulness to them in the hour when they needed a home, family and friends. The crowning glory of the Homes is that through all of these years, though the programs have changed and emphasis has changed, that the same original purpose that was established by the founding fathers remains, and that is to serve our Lord and Master by extending the hand of helpfulness to those who enter our home. The Homes has also had an open door policy from the very beginning serving not only those of the Lutheran faith but all without regard to racial or religious background. The Lord has been good to the Homes beyond our deserving and has made the Lutheran Homes with its new Valley View Manor one of the finest which is found in the Midwest or in the Church. We invite you to make a pilgrimage to the Lutheran Homes and see Valley View Manor for your self.

A $100 gift for 100 years

Recently we received a membership in the 1 of 1000 club from a lady who is a Life Member of the society. She sent a letter with it which we quote in part:

Gifts presented to the Stummes

Gifts and tributes were presented the Rev. and Mrs. L.A. Stumme by the Lutheran Homes board Jan. 9 at the Sunset Inn.

The Rev. W. Thalacker of Ridgeway was the master of ceremonies and the Rev. Don Johnson of Palatine, Ill, former board member and now regional director of missions for the American Lutheran church, was the guest speaker.

Harold Timm, president of the Lutheran Homes Board, presented a plaque to the Stummes. It's inscription read: "Pastor and Mrs. L.A. Stumme in gratitude to God for their work of love for the Muscatine Lutheran Homes, the church and community 1945-70."

Carlton Meyer, treasurer of the Homes, presented the Stummes a monetary gift and reviewed services rendered by them. The Rev. Wayne Stumme of Waterloo spoke on behalf of the children, from which greetings were read.

The Rev. L.A. Stumme, retiring as superintendent of the Homes, expressed his thanks and spoke of the philosony of the Homes. The Rev. H. Kumpf of Maquoketa reminisced on his 20 years membership on the board and offered the closing prayer.

Guests included Dr. and Mrs. Orsay of Kirkwood, Mo., the Rev. and Mrs. Wayne Stumme, Dr. and Mrs. Woodhouse, Mr.

God's will through yours

Recently we read a pamphlet entitled "Some Straight Talk About Wills". Some of the most popular excuses included the following:" You have to be rich to write a will." "It hastens your death to write a will." "Writing a will is expensive". "What's the hurry". It showed how false these arguments were and how some people get hung up on them. It is just plain common sense whether you have much or little to make a will. It is a responsibility of our stewardship that we make a will and make arrangements for the disposition of our earthly possessions according to our wishes and desires. It is estimated that between 50 per cent to 70 per cent of American property owners die intestate (without having a will.)

The blunt judgment of an experienced attorney and estate counsellor puts it this way: "By not making a will you punish those you love. You expose them to inconveniences, annoying delays, disappointments and regrets that could have been avoided, to say nothing of unnecessary legal and court costs which may seriously diminish the estate." If you have not made a will think about it, do something about it. Your will is the final testament and expression to those whom you hold dear and the causes which lie near to your heart. Rightly understood the making of a will is an act of worship in which you give expression of your gratitude to your Heavenly Father for His blessings as well as an expression of your sense of values and of your faith.

We received the notices of the death of a number of friends who did make this matter of writing a will seriously and remembered the work of Christ in their wills by naming the Muscatine Lutheran Homes as one of their beneficiaries. Ella M. Weyen, Gillespie, Illinois, named us a contingent heir, that is in the event the named person had deceased the Homes would be the beneficiary. Miss Dorothy Schmidt, Tama, who left a bequest of $1000. Mrs. Martha Geuther, Mendota, Illinois and Mrs. Anna K. Haak, Morrison, Illinois who designated that $50 be given to the Homes after their deaths. As we go to press we learn that a local lady friend, Mrs. Helen Springborn, Muscatine included a provision in her will that the Lutheran Homes, Society, Muscatine, Iowa be given a bequest of $1000.

Lutheran Homes serves many years

By Robert and Carolyn Ahlstrom

Lutheran Homes, as it is known today, began providing Christian service to this community before the turn of the century.

The Rev. Henry Reinemund, then pastor of the Zion Lutheran Church in Muscatine, was founder and first administrative officer of Lutheran Homes. Reinemund had become interested in the care of needy children while a young adult in his native Germany.

While making parish calls, Reinemund discovered an empty house owned by Benjamin Hershey. Hershey had built the house as a country home for his wife, Elizabeth. She, however, had no love for it and never consented to live there.

The Hershey house was a landmark of the 1890s. Cold and austere in character, this house would provide the framework for a warm and loving ministry to orphans. The pastor approached the lumber baron, Hershey, about donating this vacant property as a home for orphans. His answer was, "No." A short time later Hershey died. Reinemund took his dream to Hershey's widow and daughter, Myra. They agreed to give the home and five acres of land for the purpose of establishing an orphanage. With this gift from the Hersheys, Reinemund and a group of Lutheran churchmen organized a Lutheran Society for Christian Charities.

In the early years, the Reinemund family with eight children plus an equal number of orphans lived in the Hershey house. A need soon emerged for the care of older people. In addition to children, seven elderly were accepted for care. Many more elderly deserved and needed care; there was no room.

The board of directors wrestled with the problem and prayed. Finances did not permit further expansion. But through a bequest from the Mrs. Blaidy estates and a church-wide fund appeal, expansion began. Construction was completed in 1905 for a building to care for the elderly, the Julius Doden Memorial Home for the Aged. Its use spanned the years 1905-67, providing a home for 45-50 residents.

As the program grew, it was again Reinemund who envisioned a building to house girls and small infants. Although he died in 1918, a new structure called the Henry Reinemund Memorial Home for Girls was built in 1929. Today this building is a staff residence.

A brick school building on the property was referred to as "our school of Christian higher education." There were 87 steps leading uphill to the school from the children's dormitories. Daily religious instruction was part of the environment.

At the height of service to orphans, two additional buildings were constructed. In 1952 a two-story cottage was built for teenage boys. To meet recreational needs of the children, a gynmasium was built in 1955.

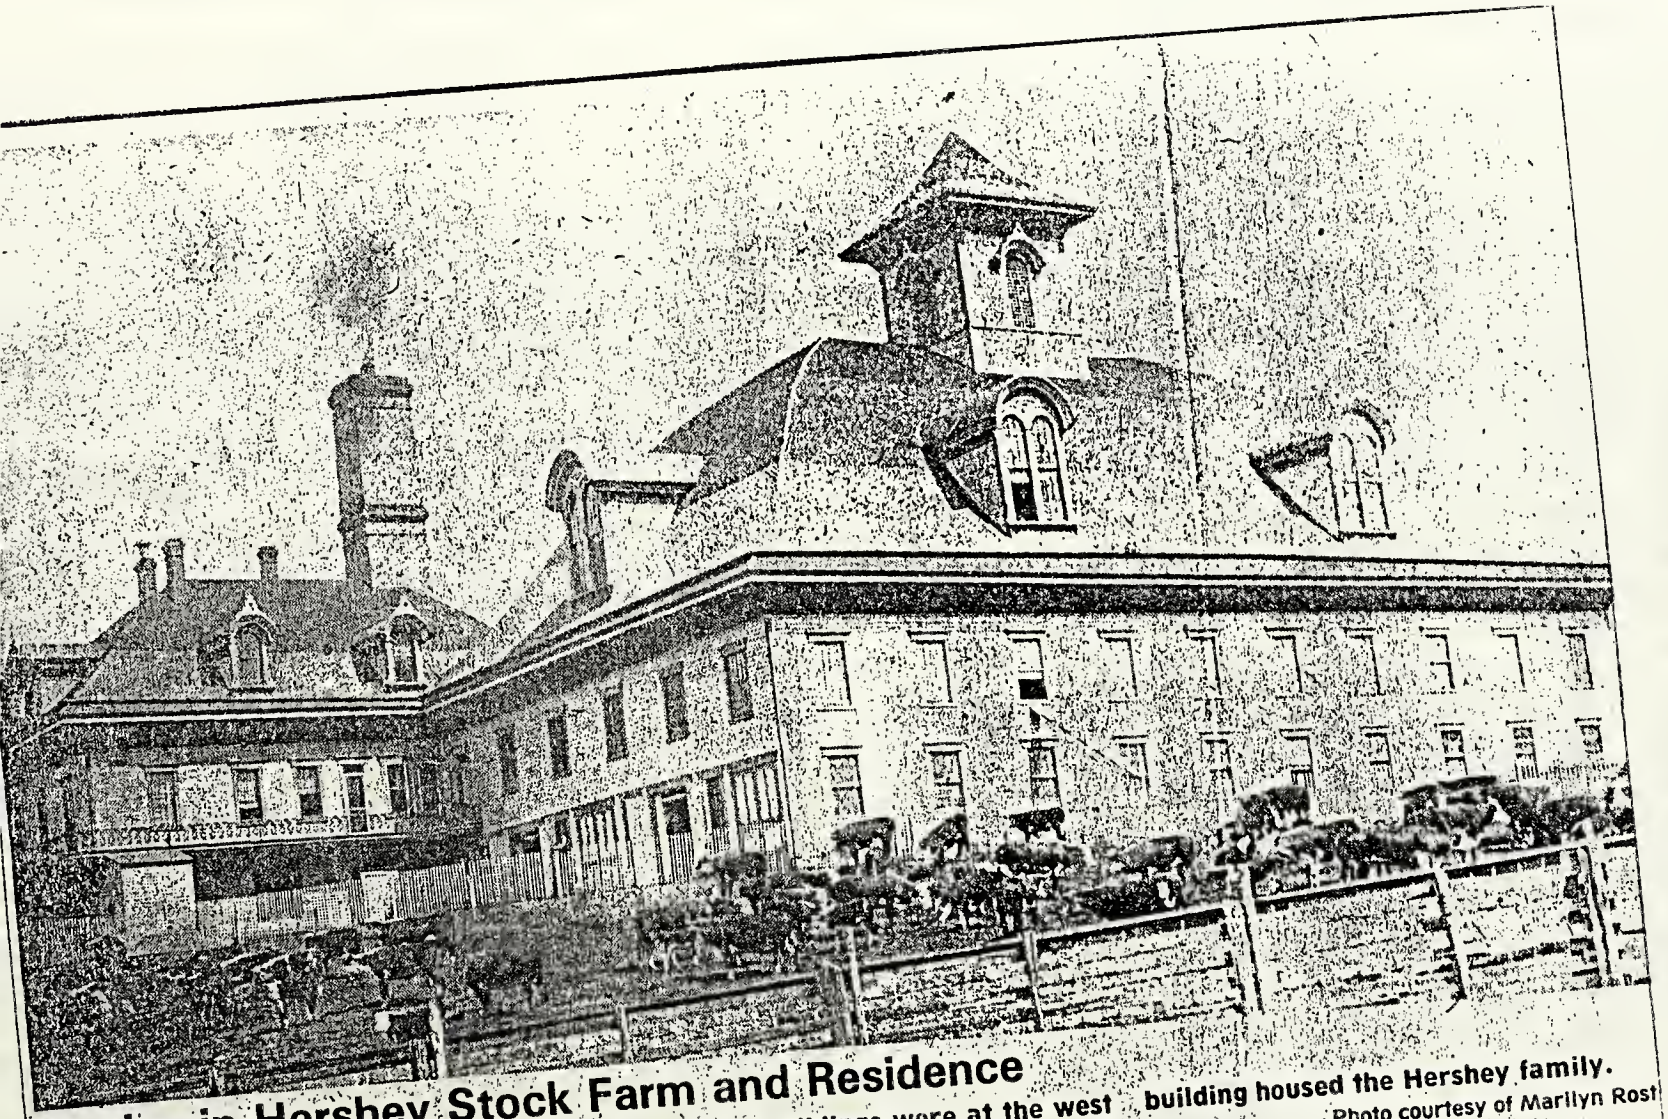
As family needs changed, the orphans program was phased out by the mid-1960s. During more than 60 years, Lutheran Homes had provided shelter and nurture to more than 1,500 children.

A peaceful cemetery is on a hill surrounded by trees as the final resting place for over 150 souls who had associations with the home.

Today Lutheran Homes serves elderly or disabled individuals and their families. Valley View Manor, constructed in 1967, is a 146-bed intermediate-care facility designed to care for developments associated with aging. Louise Wittig Cottage, the remodeled residence for teenage boys, is now a residence for up to 15 independent elderly.

Lutheran Homes, comprised of the two elderly facilities, continues to be a social service ministry of the American Lutheran Church, associated from its beginnings with Zion Lutheran Church.

On June 25, 1972, a Tower of Remembrance was dedicated at the entrance to Valley View Manor. This tower, an alumni project, supports the bell which originally rang from the Elizabeth Hershey Orphan's Home. The cross is from the top of the old school house. Together they symbolize the Christian philosophy, the program of service and the security of purpose which the Lutheran Homes brings to the lives of those it serves.



Benjamin Hershey Stock Farm and Residence

Benjamin Hershey brought Marilyn Rost's great grandfather Fisher from Pennsylvania to build these buildings in 1878. The buildings were at the west end of Hershey Avenue near Lutheran Homes. The left, rear portion of the building housed the Hershey family.

DAR-SAR ANCESTOR'S SERVICES

My ancestor's services in assisting in the establishment of American Independence were as follows:

James Smith was captured by the Indians when only 18 years of age. Adopted by them he stayed with them five years. Here he learned their language and modes of warfare. Of this knowledge he made good use after his return, in defending the homes of the pioneer settlers, previous to the War for Independence. He was elected a member of the "Council of Safety" of Penn., to serve "as long as he proposed to do so". He served many years (see record). He was commissioned Major in 1776 - In 1777, getting leave of absence he organized a company of his old scouts, dressed and armed them as Indians and went against the British at "Rocky Hill" killing and capturing more of them than he had in his own company. In 1778 he was commissioned Colonel and served in that capacity until the close of the was. Afterwards he moved to Washington Co., Ky. where he represented the County in the General Assembly For many years. He wrote several pamphlets giving accounts of Indian life and customs, also, in opposition to the doctrines of the Shakers, He was ordained a Prespyterian minister. He died in Washington County, Ky., in 1812.

Question: Give below a reference by Vol. and page to the Documentary or other authority upon which you found your record.

Answer: "An account of the remarkable occurences in the life of Col. James Smith" written by himself and reprinted in 1870 by the Historical Society of the Ohio Battery "also a copy of the reprint is in the Congressional Library. See pages 131-132-133-137; also a copy of original in possession of the family". We also have Family Records and other papers.

My Revolutionary ancestor was married at Coucocheauge, Pa., on the -- of May 1763 to Anne Wilson. Their children were Jonathon, William, James, Robert, Elizabeth and Rebecca.
